

9. OUTPUT

A screenshot of a web browser displaying a "Patient Registration Form". The form is titled "Patient Registration Form" and contains several input fields: "Patient Name:" with the value "Wajid", "Age:" with "20", "Gender:" with "Male" selected, "Email:" with "wajid@example.com", "Mobile Number:" with "989882120", "Address:" with "Guntur, Andhra Pradesh", "Symptoms:" with "Cough and mild fever", "Registration Date:" with "19/08/2026", and "Blood Group:" with "O+". A green "Submit" button is at the bottom.

A screenshot of the same "Patient Registration Form" after submission. The form shows validation errors: "Patient Name: *" (green), "Age: *" (green), "Gender: *" (green), "Email: *" (green), "Mobile Number: *" (red, with "This field is required." below it), "Address: *" (green), "Symptoms: *" (red, with "This field is required." below it), "Registration Date: *" (green), and "Blood Group: *" (green). The "Submit" button is still green.

A screenshot of a web browser displaying a "Patient Information Submitted Successfully" message. The message is titled "Patient Information Submitted Successfully" and includes a green checkmark icon. Below the title, it says "Thank you! The patient details have been recorded successfully." and lists the patient details in a table:

Patient Name	: Wajid
Age	: 20
Gender	: Male
Email	: wajid@example.com
Mobile Number	: 989882120
Address	: Guntur, Andhra Pradesh
Symptoms	: Cough and mild fever
Registration Date	: 19/08/2026
Blood Group	: O+

At the bottom, there is a blue button labeled "← Register Another Patient".
